STOCK EXCHANGE ANNOUNCEMENT

Today Topsil Semiconductor Materials A/S has appointed Peder Mohr Jensen as Managing Director of the company. Peder Mohr Jensen is a graduate engineer (M.Sc.E.E.) from the Technical University of Denmark, and holds an Executive MBA from the Scandinavian International Management Institute SIMI.

Peder Mohr Jensen comes from a position as Production Director of Munch A/S, and he has a broad experience with semiconductor technology development, advanced production facilities, and sales to key accounts through positions with Grundfos A/S, Univeyor Electronic A/S, and board assignments in technology firms.

Peder Mohr Jensen will take up the position as Managing Director on 1 October 2003.
