## **CHANGE IN MANAGEMENT**

Topsil Semiconductor Materials A/S has appointed Keld Lindegaard Andersen as Managing Director of the company. Keld Lindegaard Andersen is 44 years old, MA from Copenhagen University, research scholar from Nagoya University, Japan, and holds an Executive MBA from Copenhagen Business School.

Keld Lindegaard Andersen comes from a position as Business Development Director of Bang & Olufsen ICEpower A/S, and he has a broad experience with international sales to strategic customers in the telecom and semiconductor industries.

Before Keld Lindegaard Andersen came to the Bang & Olufsen group he held executive positions, among others with Marlin Lightning, Pricewaterhousecoopers A/S, and the Louis Poulsen group.

Keld Lindegaard Andersen will take up the position as Managing Director on 1 September 2005.
